

### **REMARKS/ARGUMENTS**

This Amendment is in response to the Final Office mailed November 1, 2010. Claims 16-29, 31, 32 and 34-38 were pending in the present application. Claims 16-29, 31, 32 and 34-38 are provisionally rejected only on the basis of obviousness-type double patenting. This Amendment does not add, cancel, or amend any claims, leaving pending in the application claims 16-29, 31, 32 and 34-38. Reconsideration of the rejected claims in light of the following remarks is respectfully requested.

#### **Double Patenting Rejection**

Claims 16-29, 31, 32 and 34-38 were provisionally rejected on the ground of nonstatutory obviousness-type double patenting as being unpatentable over claims 18-33 of copending Application No. 10/563,171. Applicant submits herewith a timely filed terminal disclaimer in compliance with 37 CFR 1.321(c) solely as an administrative convenience. The applications are also owned by the same entity, Areva Solar Pty Ltd. Applicant therefore respectfully submits that the provisional rejection has been overcome and submits that the claims now are in condition for allowance, as provided in MPEP 804.

### **CONCLUSION**

In view of the foregoing, Applicant believes all claims now pending in this application are in condition for allowance. Applicant therefore respectfully requests that the Office withdraw the outstanding rejections of the claims and pass this application to issuance. If it is determined that a telephone conference would expedite the prosecution of this application, the Examiner is invited to telephone the undersigned at the number given below.

The Office is hereby authorized to charge any additional fees that may be required by this paper, or credit any overages, to Deposit Account No. 50-3229.
